CERTIFICATE OF REGISTRATION

Business Continuity Management System – ISO 22301:2019

Coalfire Certification, Inc. certifies that the following organization operates a Business Continuity Management System (BCMS) that conforms to the requirements of ISO 22301:2019 per the scope and boundaries statement detailed below:

COMPANY:	Commerce.com, Inc.	**ADDRESS:**	11920 Alterra Parkway 8th & 9th Floors Austin, TX 78758 United States

Scope:

Commerce.com integrates ISO/IEC 27001:2022 (Information Security Management System), ISO/IEC 27701:2019 (Privacy Information Management System) and ISO 22301:2019 (Business Continuity Management System) into an Integrated Management System (IMS). The IMS supports the operations underlying the Commerce.com ecommerce SaaS platform, consisting of an online storefront, a cloud-hosted checkout process, a web-based administration portal, B2B & Multi-Storefront, and Application Programming Interfaces (APIs). These activities are governed by the Statement of Applicability based on ISO/IEC 27001:2022 as extended by the Controller and Processor controls described within ISO/IEC 27701:2019 and the additional controls defined within ISO/IEC 27017:2015 and ISO/IEC 27018:2019. The organizational scope includes the Engineering (Software and Infrastructure), Information Technology, Cybersecurity & Governance, Risk and Compliance (GRC), Legal, and People teams affecting the IMS.

Original Registration Date:
March 23, 2023

Certificate Issuance Date:
March 26, 2026

Expiration Date:
March 26, 2028

ON BEHALF OF COALFIRE CERTIFICATION, INC.

Booker Young, VP of Global Assurance

ISO 22301 CERTIFIED

ANAB ACCREDITED ISO/IEC 17021-1 MANAGEMENT SYSTEMS CERTIFICATION BODY

This certificate relates to the Business Continuity Management System, and not to the products or services of the certified organization. The certification reference number, the mark of the certification body and/or the accreditation mark may not be shown on products or stated in documents regarding products or services. Promotional material, advertisements or other documents showing or referring to this certificate, the trademark of the certification body, or the accreditation mark, must comply with the intention of the certificate.
